Hi Sonja,

Just wanted to update you on the two cases we have scheduled for Wednesday:

--The [REDACTED] has been continued because we don't have a decision back yet on the motion to suppress. The new date is June 9 -- I will get the subpoena out to you ASAP, if there's any problem with that date on your end, just let me know.

--[REDACTED] is still on for Wednesday, and on call is still good.

Thanks again!

Cary

First, I wanted to let you know that I have received your summons for the [REDACTED] scheduled for June 29th and that I am available that day.

Second, I told you that I would keep you informed of the status of my Pittsfield trial schedule for April 7th. Well, the def. ended up pleading so I do not need to go out to the Berkshires that day which leaves me available for both the [REDACTED] and the [REDACTED] with you that day (as well as one with ADA Alyson Yorlano). Please keep me informed if there are any changes regarding these case, and whether or not you would prefer to have me on call that day. Thanks.

-Sonja
